To the shareholders of the Company's S.A. ATTIKES KATASKEYES – TOURISTIKES AND LATOMIKES EKMETALEFSIS ANONYMOS TECHNIKI AND EMPORIKI ETERIA ATTI-KAT.

We have inspected the attached. Interim Financial Statements as well as the interim Consolidated Financial Statements of the Company's SA ATTIKES KATASKEYES – TOURISTIKES AND LATOMIKES EKMETALEFSIS ANONYMOS TECHNIKI AND EMPORIKI ETERIA ATTI-KAT for the period 01/1/2005 up to 30/6/2005. These Financial Statements are the responsibility of the Company's management.

We conducted our inspection in accordance with the Greek Accounts Inspection Standards which are based on the International Accounts Inspection Standards. These standards require that we plan and perform our inspection to obtain reasonable assurance about whether the interim Financial Statements as well as the Interim Consolidated Financial Statements are free from essential Inaccuracies.

An inspection is expanded mainly to get information through the people of the company's and any other analytical procedures which are followed by them for the Financial actions. So that this give us less assurance in comparison with the audit.

We have not made any audit, and this is the reason that we don't express our audit opinion.

Based on our inspection we have not see any Financial actions which make us to believe that the attached interim Financial Statement as well as the Interim Consolidated Financial Statements don't give a true and fair view of the Financial position and the results according to the international Financial Accounts Standards which are adopted by the European Union.
