

# Ackermans & van Haaren nv

## Company Profile

Ackermans & van Haaren profiles itself as a diversified group active in both Business-to-Business and Financial Services.

The B2B activities principally concern dredging and marine engineering via D.E.M.E. and temporary employment via Creyf's.

The financial services activities are focused on private banking via the Banque Delen and private equity via Sofinim.

Over the last ten years the group has posted an annual average growth rate of 20% in net profit.
