

Maroussi, June 5 2008

PRESS RELEASE

Subject: B+ rating for ASPIS PRONIA by Fitch

ASPIS PRONIA GENERAL INSURANCE COMPANY S.A. announces that on June 3rd 2008 Fitch, the international credit rating house, gave the company a **B+** with stable outlook.

ASPIS PRONIA AEAZ (Property & Casualty) has also received a corresponding **B+** rating.

It should be noted that this particular initiative is part of the overall restructuring plan of the Group and of the adoption of the highest international operating standards.

It should also be noted that all the insurance companies of the Group located in Greece have been awarded this Insurer Financial Strength.

Only the insurance companies of the Aspis Group have received a credit rating in Greece.

Lastly, investors may find further information on the subject on the website www.fitchratings.com
